

Number Sequences

Concept — ANSWER KEY

Add the same amount each time.

Think: Find how much the numbers jump by. That jump is the rule.

1. Find the pattern. Fill the missing numbers and write the rule.

1)

15	22	29	36	43	50
----	----	----	----	----	----

Rule: + 7 each time

2)

4	11	18	25	32	39
---	----	----	----	----	----

Rule: + 7 each time

3)

13	17	21	25	29	33
----	----	----	----	----	----

Rule: + 4 each time

4)

3	10	17	24	31	38
---	----	----	----	----	----

Rule: + 7 each time

5)

14	18	22	26	30	34
----	----	----	----	----	----

Rule: + 4 each time

6)

1	8	15	22	29	36
---	---	----	----	----	----

Rule: + 7 each time

7)

7	11	15	19	23	27
---	----	----	----	----	----

Rule: + 4 each time

8)

7	12	17	22	27	32
---	----	----	----	----	----

Rule: + 5 each time
